The Nussra Front – Statement No. 45

Martyrdom Operation Targeting a Military Security Detachment in Maharada, Hama Countryside

Praise be to Allah, the Victor of the believers and Humiliator of the disbelievers and peace and blessings of Allah be upon the warrior prophet, the merciful prophet, Muhammad and after:

By the grace of Allah, a heroic martyrdom operation was carried out targeting a detachment of military security troops in Maharada in the Hama countryside. The Maharada district is a war zone for the ahl al-Sunnah, there are 40 thousand Christians in this district and they are joining up in huge numbers with the army, the security forces and the shabiha to launch raids and bombard the neighboring Sunni villages. And after monitoring and observing the target, the martyrdom seeking brother set his sights on his goal and despite the heavy security in the area and surroundings; he was able to detonate his explosives amongst their groupings. They got to taste the same horror that our people have to taste. And I swear that he has brothers that will tread his same path and set out to liberate the land of al-Sham.

And Allah has control over all affairs, but most people do not know
